STONEHENGE PORCELAIN TILE

Stonehenge emerges from the veiled mists of time to fit perfectly into today's lifestyle. A rustic glazed porcelain with slightly chiseled edges and distressed surface area. Soft shading and fumé adds interest and movement. Available in three coordinating sizes, 18" x 18", 12" x 12" and 6" x 6", making the installation options positively endless. To add yet further diversity we offer mesh-mounted mosaics available in all four colors. These can be used virtually anywhere, backsplash, shower pan, foyer, you name it, the choice is yours. But we didn't stop there. We also offer the large sized Rune listello and corner, along with the slightly more delicate Celtic Wave listello.
